PROFILE:

DARK CHERRY

DUSTY COCOA

CLOVE

ROASTED COFFEE BEAN

DESCRIPTION Merlot is the grape foremost responsible for Washington State's rise to fame on the global wine stage. The climate and soils here are perfectly suited to ripening Merlot in its ideal form. Our 2019 vintage has all of the hallmarks of great merlot, anchored by a deep mid palate that is every bit as much a textural experience as it is a flavorful one.
