DESCRIPTION

The 2019 vintage of our limited release cuvee is a fitting follow up to the record setting 2018 vintage, which sold at auction for \$100,000 in the spring of 2022. Produced from all five classic Bordeaux varieties, both wines share dense structure, developed, silken, mid-palate textures, and a food friendly nature. This new vintage has great acid, a distinct freshness, and a beautifully long finish. Decant and swirl this wine vigorously to coax out its full potential.
